

WELCOME TO WTCAFÉ!

We at WT Café are thrilled to be partnering with the Montessori Children's House once again to offer our school lunch program. Your school made a commitment to the health and well-being of your children when they selected WT Café, and we won't let you down. When your children eat at WT Café, you can relax knowing they ate a well-balanced and satisfying lunch that will power them through the school day. Please see below for more information about our program.
